

## ELECTION INFO

**Archived January 26, 2024**

Title 32 election law (C.R.S § 32-1-305.5(3); 32-1-905(2)(a)) transitioned Metro District elections from even-year to odd-year elections, and this year's election will be held on Tuesday, May 2, 2023, between the hours of 7:00 a.m. and 7:00 p.m. At that time, (3) three directors will be elected for a 4-year term expiring in May 2027, and (1) one director will be elected for a 2-year term expiring in May 2025.

By law, candidates were required to submit [Self-Nomination and Acceptance](#) forms to the Designated Election Official by 5:00 p.m. on Friday, February 24, 2023. The [Call for Nominations](#) document itemized the deadlines and eligibility requirements, and the neighborhood was notified in advance of the February 24, 2023, deadline.

**NOTE:** The 2023 District 3 board election scheduled for Tuesday, May 2, 2023, was not held, as there were fewer candidates than positions available. This resulted in an uncontested election, and all candidates were elected by acclamation. In order to complete the 5-member board, one member was appointed to serve until the next election in 2025. The Resolution cancelling the election can be found [here](#).
