POOL ACCESS

May 30, 2021

As summer begins and access to the pool is desired, we know it can be difficult to remember how things will work this year. In an effort to make pool access information easier to find, we are posting these guidelines on the District's website.

- The Pool Packet, which includes forms and rules, can be found [here](#).
- Everyone 14 or older **MUST** have a valid key card, **which includes a photo**, to access the pool.
- Those aged 14 – 17 **MUST** have their **photos updated annually** for key card reactivation.
- Parents **MUST** sign a Minor Release form if they will allow their minor children, ages 14 - 17, to access the pool without adult supervision.
- It can take anywhere from a few hours up to 10 days to reactivate an existing card or to receive a new card, and the management company typically doesn't work weekends. To avoid disappointment when you want to use the pool, please **PLAN AHEAD**.
- Lifeguards and homeowners are **NOT** permitted to open the pool gate to anyone.
- Pool reservations are **NOT** required.
- Guests are **NOT** permitted.
- Those 50 or older who have valid key cards may access the pool daily between 7:30 a.m. and 9:30 a.m. for Senior Swim. This is **SWIM AT YOUR OWN RISK**, as life guards are **NOT** on duty. Use the District's website [Contact Us](#) page to request Senior Swim key card access.
- Those with live-in family visiting for 2 or more weeks may request additional key cards for that time period.
- If a key card provides access to the tennis courts, that does **NOT** mean it also provides access to the pool and the community center.
- If the U.S Mail didn't deliver your Pool Packet in a timely manner, please consider providing your email address to [Shannon Torgerson](#) at Cherry Creek Management so that you will receive timely homeowner email blasts with current information.
- Even if your key card was active prior to this season, it may not be active now, so please:
 - Read and understand the Pool Packet;
 - Complete the forms – **CARD REQUEST**; **RULES**; and **MINOR RELEASE**, if necessary;
 - Send in the appropriate pictures;
 - Pay the appropriate fee (if any);
 - Receive your valid key card activation; and
 - Enjoy the pool season!
- Even though the pool is open, the Community Center is **NOT**.
- Look to the District's [Facebook](#) page for accurate information.
- Visit the District's [website](#) for information, [FAQs](#), and a [Contact Us](#) page to submit questions.
