Q8 What other projects would you suggest for improving Murphy Creek?

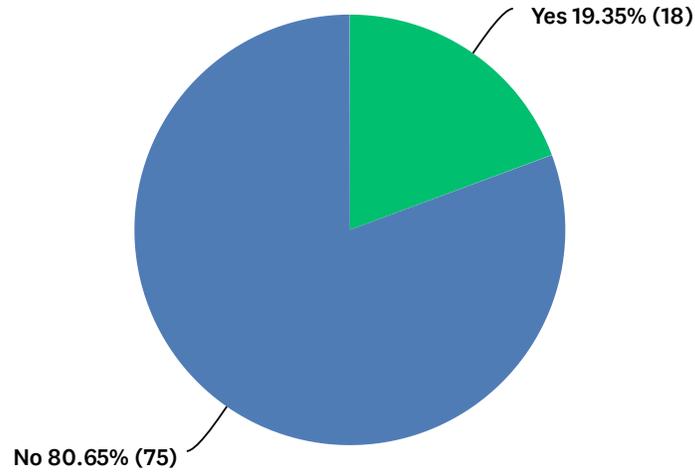

Answered: 44 Skipped: 55

#	RESPONSES	DATE
1	Longer season and daily hours for the pool. Replace trees when they die. More speed bumps to detour speeders on old tom morris and Louisiana.	11/17/2025 6:10 PM
2	I think efforts to reduce excessive speeding/racing on Harvest road is a worthy effort, would obviously take coordination with APD or other entities.	11/3/2025 3:23 PM
3	Need more than just a sign by the community center. I suggest that there be 2 or 3 placed throughout Murphy Creek. Not everyone drive by the center.	11/1/2025 12:30 PM
4	Do we have anywhere that we could add a enclosed dog park?	11/1/2025 10:25 AM
5	Please focus on upgrading tot lot parks in 2026. There is so much room to upgrade the equipment. Most don't have swings, the ones that do have swings are broken. Thank you for this survey!!!	10/27/2025 3:41 PM
6	the small play grounds in our areas kids NEVER play on them for the simple fact nothing to play on	10/25/2025 11:43 PM
7	Pay for additional landscape services, weed control, tree and shrub trimming and replacement. Drought tolerant plants, smart irrigation controllers.	10/23/2025 3:39 PM
8	Pay off debt. Stop spending money. Almost nobody knows that the meto district is millions in debt. And that is why our property tax is higher that other neighborhoods.	10/23/2025 3:39 PM
9	Another pool	10/23/2025 3:34 PM
10	Replace the mailboxes with new ones.	10/23/2025 3:34 PM
11	Weekly newsletters that come to our emails that don't require passwords or account numbers	10/22/2025 4:55 AM
12	Be on top of the City of Aurora to take care of the property that they own of common areas that they are supposed to maintain and stop letting the common area property in our neighborhood owned by Aurora look bad.	10/18/2025 7:49 PM
13	The windmill was a great idea and adds some elegance. Would really like to see the community roads maintained better. For what is being paid there should be better maintenance and replacement schedules. Additionally, I feel that it is paramount that we as a community address speeding as best as we can with Speed-bumps in the school areas. Protecting our children should be first and foremost!!!	10/17/2025 10:54 AM
14	The mowing. It's awful. It's cut way too high, and they miss spots. Need edging along sidewalks. Retaining ponds are neglected. Need to be mowed. Spruces sitting on top of bushes, bushes are 10 feet high growing into pines, etc. Christmas decorations left until summer to be taken down. Oh, and at one retaining pond sthere is a spruce with 2 dead trees that have grown inside. Been like that for years. If you go to Lennar off Mississippi, their grass is beautifully cut. Perfect.	10/17/2025 8:55 AM
15	Tell the city to fix the streets.	10/17/2025 8:35 AM
16	no comment	10/17/2025 8:03 AM
17	Add my a second pool in the Murphy creek community would me great since we have expanded the community with all the new builds. Also additional pickleball courts.	10/16/2025 10:22 PM
18	Remove trash.	10/16/2025 9:04 PM
19	Keeping the area clean, colorful landscaping, community events.	10/16/2025 8:45 PM
20	The signs throughout the community that say Murphy Creek are all damaged on the top of the brick.	10/16/2025 5:09 PM

21	NOT SURE	10/16/2025 4:53 PM
22	Make people follow the requirements for keeping their property up. Somehow stop mini motorcycles and 4 wheelers from riding on the trails. Get the dumpy looking trash from new construction dealt with.	10/16/2025 4:43 PM
23	Have them get on the city of Aurora to re-pave our roads in the neighborhood! They are getting really bad in areas and were told they were to get done a few years ago, and...nothing!	10/16/2025 4:15 PM
24	None	10/16/2025 3:41 PM
25	Make sure landscaping is consistent throughout neighborhood. More lighting.	10/16/2025 3:41 PM
26	Bigger speed bumps and speed control (to include police) at entrances. Also grills at pool area will incur more garbage and interfere with others enjoying pool serenity.	10/16/2025 3:12 PM
27	Not sure what Number 7 is. While making changes please insure that the original responsibilities of the HOA is being meet first.	10/16/2025 2:45 PM
28	Bike trails	10/16/2025 2:30 PM
29	Hot tub in the pool area.	10/16/2025 2:26 PM
30	While the upgraded pool furniture is great, there still are not enough tables. Families like to eat during safety breaks and have a true place to place their belongings and sit.	10/16/2025 2:21 PM
31	Install speed bumps on old thomas road that leads up to Murphy creek tavern. Way too much speeding there!	10/16/2025 2:07 PM
32	More tennis, pickle ball, and basketball courts. More walking trails.	10/16/2025 1:32 PM
33	Better security measures to limit stolen property other than license plate readers that no one can access, more lamp posts to help keep streets from being so dark and maintain the ones we already have so they work.	10/16/2025 1:20 PM
34	Better Christmas decorations and tree lighting at the entrance and throughout the property. It has been very poor the past few years, crappy even, not inviting or anything prestige about them. Also, what is going on with the circle where that fabulous windmill used to be? Worst decision ever was to not repair that and jerk around with trees that will die, flowers that need annual replacement and watering, etc., etc.	10/16/2025 1:12 PM
35	Trees and benches on the back road to be able to sit down and enjoy the view.. And in the land out back where it can't be built on a dog area so dogs can run and be off leash	10/16/2025 1:08 PM
36	N/A	10/16/2025 12:52 PM
37	More windmills? Maybe one in every roundabout and open space. Maybe a few old horsedrawn wagons like there used to be. A large digital sign showing upcoming events near each entrance.	10/15/2025 12:05 PM
38	More street lights are necessary... There are some very dark intersections that need to be lit up.	10/14/2025 8:17 PM
39	Add/Upgrade lighting in the Community Center's great room!!	10/14/2025 5:24 PM
40	Recreation equipment for the back section. Pool, tennis court, outdoor gym equipment, larger playground. Add a Splash Pad to the pool area, or somewhere else in the neighborhood.	10/14/2025 12:16 PM
41	Dog park!	10/5/2025 12:08 PM
42	Fix the eerily squeaky windmill near the school.	10/4/2025 10:07 AM
43	Better maintainance of storm drain run off areas. Lots of weeds and high grass and weeds.	10/3/2025 9:14 PM
44	Enclosed dog park	10/3/2025 3:56 PM

Q9 Would you be willing to serve on a committee to improve Murphy Creek?
